Strensham Airman Missing

News has reached Mr and Mrs Allen of Bredonsfield Cottage that their eldest son is missing as a result of an aircraft accident.

Sgt. "Bob" Allen, who spent most of his life in the district until he joined the RAF in April 1938, is 23 and married.

The many friends of Bob Allen will join in the hope that reassuring news of him will soon reach his parents and wife.

It was not to be. Another serviceman who joined up before the war, we can only surmise that the plane upon which he was flying was lost either in training or during a raid. In May 1943, the "Thousand Bomber Raids" were devastating Germany.
