

Build - a celebration of architecture, past, present and future

Saturday 1st October 2022 1pm-4pm

- Talks by **Joe Roberts**, director of **Roberts Limbrick** – ‘Bringing historic buildings into modern use with a focus on Gloucester's Carriage Building’, **2pm** and **Gloucester Cathedral stonemason, Pascal Mychalysin** – ‘Cathedral Workshops and Apprenticeship: Securing Heritage Skills for the Future’, **2.30pm**
- Discover the work of the **Gloucestershire Building Recording Group**
- **Slideshow** of international architectural images taken from the vast collection of the late R W Paterson, leading architect of Gloucester and Cheltenham
- Exhibition of **architectural plans** held within Gloucestershire Archives and ‘**Behind the scenes**’ tours of the Heritage Hub, a good example of a new and re-purposed building
- Want to know who lived in your home before you? Learn about some of the sources available with volunteers of **Gloucestershire Family History Society** from **10am**.
